## The Pony Club International Tetrathlon Exchange

International Exchanges give older Pony Club Members a once in a lifetime opportunity for a cultural, educational and competitive team experience. It is an honor to be selected to represent the United States Pony Clubs on an International Exchange Team. Whether hosted in the United States or abroad, each team represents USPC and the United States as ambassadors.

Every other year The United States Pony Clubs participates in an **International Tetrathlon Exchange** with Great Britain, Ireland, Australia and the U.S. The International Tetrathlon Exchange is a two-week tour, with the hosting of the exchange rotating among the

countries involved. The 2014 Exchange will take place July 5<sup>th</sup> – 20<sup>th</sup> in Perth, Australia.

During their time in Australia, the Team can expect to enjoy some of the world's best beaches, an outback experience, tour of the major gold mining center, and close encounters with Kangaroos and Koalas! The Tetrathlon competition will take place July 16<sup>th</sup> - 20<sup>h</sup>. While competition is part of the tour, the main goal of all Pony Club International Exchanges is the cultural experience of making new friends, learning about and experiencing the customs of the host country, and meeting Pony Club families from around the world.

We are pleased to announce The 2014 International Tetrathlon Exchange Team selected to represent the United States Pony Clubs:

**Emily Andrews, Delmarva Region**
